An AirGate-certified Local Area Network (“**LAN**”) audit, which verifies that Customer’s network is capable of supporting the minimum requirements for the Services (as determined in AirGate’s discretion) (the “**Minimum Requirements**”), may be, at AirGate’s discretion, a pre-requisite of AirGate’s provision to Customer of any and all Services.

2.2 Customer agrees and acknowledges that it may be necessary for AirGate temporarily to suspend or interrupt service for technical or maintenance reasons, including without limitation for installations, changes or modifications of any kind to the Services. Such suspensions and planned maintenance will occur on a scheduled basis on weekends between 10:00pm and 6:00am (Eastern Standard Time). Such suspensions or interruptions of service will not be considered outages and do not qualify for credits or refunds.

2.3 Without incurring liability, AirGate may immediately and without notice:

(a) discontinue or suspend the Services;

(b) cancel a request for Services;

if AirGate has reasonable grounds to consider such action is necessary, either to prevent Improper Use or to protect against fraud or the commission of suspected illegal activities, or to otherwise protect its personnel, agents, facilities or services.

2.4 AirGate reserves the right to discontinue furnishing any or all of the Services, or limit the provision of the Services to the extent required by conditions beyond its control, including without limitation lack of transmission capacity, the revision, alteration or repricing of any underlying carrier’s offerings, or when the Services or any part thereof is or becomes in violation of any applicable law, regulation, or the terms and conditions of this Agreement. AirGate shall use commercially reasonable efforts to advise Customer of any potential future Interruption to the Services. In all cases, AirGate shall provide Customer with notice in accordance with the provisions of this Agreement, prior to terminating any of the Services.

Where one party has given the other a notice of termination pursuant to this Section, and the other remedies the situation which gave rise to the right of termination before the expiry of the notice period, this Agreement shall not be terminated, but shall continue in full force and effect without prejudice to either's right to terminate for the other's subsequent or other breach of this Agreement.
